

# Chocolatey

1) Listing des logiciels à installer dans un fichier .bat via notepad++, avec une demande de confirmation dans les scripts ou le bypass

The screenshot shows the Notepad++ application window titled 'D:\Documents\test.bat - Notepad++'. The menu bar includes File, Edit, Search, View, Encoding, Language, Settings, Tools, Macro, Run, Plugins, and Window. The toolbar contains various icons for file operations and editing. The tab bar shows 'Virtualbox.txt' and 'test.bat'. The main text area contains the following commands:

```
1
2 choco feature enable -n allowGlobalConfirmation
3
4 choco install teamviewver
5 choco install adobereader
6 choco install firefox
7 choco install notepadplus.install
8 choco install 7zip.install
9 choco install filezilla
10 choco install zoom
11 choco install vlc
12 choco install putty.install
```

2) Exécution du fichier dans la VM et lancement des installations

The screenshot shows a Windows command prompt window with the following output:

```
C:\Windows\system32>choco install adobereader
Chocolatey v0.10.15
Installing the following packages:
adobereader
By installing you accept licenses for the packages.
